

COMEVAL VALVE SYSTEMS

Founded in 1975 and incorporated into the ARI ARMATUREN Group in 2010, COMEVAL VALVE SYSTEMS excels in designing high quality and certified valves for the process industry. Our design and manufacturing processes are ISO 9001 and 2014/68/EU certified by Third Party Notify Bodies and comprehensive of Design, manufacture, NDEs and Tests, QC and Project Management. Our Organization competent staff also provides on / off site engineering service as well as refurbishment, after market and valve modification & automation under a strict guarantee scheme.

Our Group Global Brands for the process industry segment:

UNIFLOW® is a comprehensive portfolio of Isolation Manual and Actuated Valves, Check valves and flow control products in

diverse materials, pressure classes and sizes in conformity with EN and ANSI design standards.

DIAVAL® is a niche-manufacturing programme of manual and actuated Diaphragm Valves, available in Weir and Straight Through patterns, rubber and fluoropolymer lined in diverse material grades and in EN / BS / ANSI design standards.

UNIWAT® is as very comprehensive portfolio of valves for Water Works Systems covering gate, butterfly, check and control valves, strainers and other ancillaries.

Our listed approvals are comprehensive of 2014/68/EU, API 6D, Fire Test API 6FA, WRAS, ACS, ATEX, EAC and TA-Lüft.

Our engineering shop is specialized in valve customizing to suit all customer requirements within short notice.
